Subject: Call for Nominations – Electrical works for Contractors' Area 6 and Water treatment area (Medium voltage networks, 1250kVA Transformers, Low voltage networks, Building management system and Public address system)

Dear Colleagues,

The ITER Organization invites the Domestic Agencies to nominate companies, institutions or other entities that are capable to provide Medium voltage networks, MV switch, 1250kVA Transformers, Low voltage networks, Building management system and Public address system for Contractor's Area No.6.

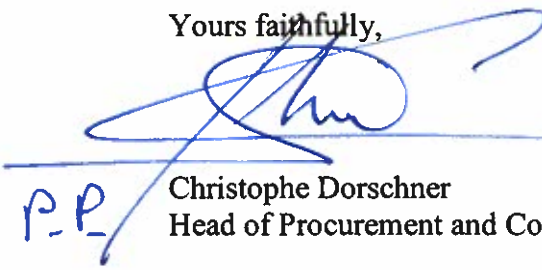

Please find attached a description of the planned procurement.

The potential candidates should have a recognized level of expertise, competence and references in the field mentioned above. The ITER Organization will invite them to prequalify.

If you can nominate suitable potential candidates, please provide us with their contact details using the attached Excel template.

Please send your proposals by e-mail to [floriane.moynier@iter.org](mailto:floriane.moynier@iter.org) by **Monday 24 June 2019** at the latest.

Yours faithfully,

  
P.P.
